

Fogco Products 3 Year Limited Warranty

All Fogco systems are warranted against defects in workmanship and materials. Fogco does not warranty components due to normal wear including pump seals, nozzles, and pulley belts. Fogco does not warranty components due to misuse and/or abuse.

In order to initiate this warranty, the Product Registration Form must be completed and sent to Fogco Systems, Inc within 30 days of purchase. In addition, the provided Product Service Form must be submitted to Fogco Systems, Inc within 30 days of the required annual service.

Repairs Outside the Scope of the Warranty: Problems with Fogco products can be due to improper maintenance, faulty installation, inappropriate additions or modifications to the system, or other problems not due to defects in Fogco workmanship or materials. If the Fogco Service Center determines that the problem with the product is not due to defects in workmanship or materials, the customer will be responsible for the cost of any necessary repairs and any freight expense to return the product to the customer.

Warranty Period: Fogco Pumps and Fog Fans are warranted for a period of 36 months from the date of sale. All other Fogco products are warranted for 12 months from the date of sale. All warranty claims must be submitted to the Fogco Service Center prior to the expiration of the warranty period.

Warranty Validation: To activate the Warranty on Fogco products, customer must submit the Fogco Products Registration Form to Fogco Systems, Inc. along with a copy of the product invoice within 30 days of purchasing the product. To maintain the warranty, the required annual pump maintenance must be performed and the date and explanation of the service must be sent to Fogco Systems, Inc. within 30 days using the Product Service Form.

Procedure to Receive Warranty Service: To return Fogco products for warranty service, call the Fogco Service Center for a Return Authorization Number. Customers should then properly pack and secure all pumps to a pallet and ship prepaid to the Fogco Service Center. An explanation of the defect or problem; a description of the way in which the Fogco product is used; the customers name, address and telephone number; the pump model number; and the pump serial number should be included with the shipment. The Return Authorization Number must be noted on the outside of the shipment or it may be refused and returned to the customer at the customer's expense.

Repairs by Other than the Fogco Service Center: Fogco Systems, Inc. must provide prior approval for any repairs done outside of the Fogco Service Center or the Fogco Warranty will be void.

Repairs or Replacement Within the Scope of the Warranty: If a Fogco product is defective due to Fogco workmanship or materials and the defect occurs during the warranty period, then Fogco will either repair or replace the product at Fogco's discretion. Fogco is not responsible for removal and shipping of the system to the Service Center, the reinstallation of the system upon its return to the customer, or any incidental or consequential damages resulting from the defect, removal, reinstallation, or shipment of the product.

Product Specification: All product specifications, applications and other information provided in Fogco's publications are subject to change without notice and should be confirmed with Fogco prior to ordering.

No Other Warranties and Liability Limitation: This Limited Warranty and Service Policy represents Fogco's sole and exclusive warranty obligation with respect to Fogco System Inc, products. Fogco's liability to a customer or any other person shall not exceed the purchase price of the Fogco system. Fogco disclaims all other expressed and implied Warranties including the implied Warranties of fitness for a particular purpose and merchantability.
